Dear David

**Citizenship Ceremony – 17<sup>th</sup> August at Crewe Hall**

Just a short note to thank you for bringing your musicians to play at our Citizenship Ceremony yesterday. We do enjoy having young musicians attend the ceremonies and I hope that Jessica, Laura, Laura and Lydia enjoyed the experience too. The Deputy Leader of the Council, Councillor Brian Silvester, also commented to us after the ceremony how pleased he was to see young musicians attending during their holidays and how good they had been.

Thank you once again for your efforts in finding the musicians for us. I hope your ceremony later in the month at Crewe Hall goes well and also hope we will see you at another ceremony in the future.

Yours sincerely

Geraldine Hughes
