An Evening
of Music

SCYM
SOUTH CHESHIRE
YOUNG MUSICIANS

INCLUDING THE PRESENTATION OF THE

Young Composer
OF THE YEAR COMPETITION

venue RUSKIN SPORTS COLLEGE
date APRIL 30 | time 7.00PM

ALL PROCEEDS GO TOWARDS HELPING YOUNG MUSICIANS IN THE LOCAL AREA

A very warm welcome

Thanks to the generosity and help of Mr Mottershead, (Head Teacher), and all the staff at Ruskin College, we are able to welcome you to the fourth annual SCYM concert and presentation evening here this evening. As in previous years children of all ages and abilities will be entertaining you with a wide variety of music, and at least ten different instruments will heard in this lovely old School Hall tonight.

The SCYM "Young Composer of the Year" competition attracted many entries, and the problem of deciding the winners has been an extremely difficult one, however a panel of local professional musicians were invited to adjudicate independently this year rather than have just one person adjudicating as we have in previous years.

The entries were so varied in style that it was decided to have winners in different categories (best jazz piece, best junior, best new entry, plus an overall winner). Unfortunately we don't have the time or resources to perform all the winning pieces tonight, however we do intend to try and play at a future SCYM concert those we have had to leave out this evening.

South Cheshire Young Musicians is an association dedicated to helping young musicians in our area and giving them performing opportunities they otherwise simply would not have, and we hope that you, and all the young players here tonight enjoy an evening of wonderful music-making.

David F Ketley
Founder and concert organiser

SCYM ATTEND ANOTHER SUPERB PERFORMANCE BY THE

BBC Philharmonic

The BBC Philharmonic Orchestra have again supported the SCYM "Young Composer of the Year" competition by giving us complimentary tickets to concerts given by the orchestra at the Bridgewater Hall in Manchester. For our last visit in March we were able to hire a coach for the evening and take 12 of our young musicians, along with parents and several SCYM supporters for an evening of superb music.

For some of the younger ones (and even a few of the older ones) this was their first experience of hearing a world-class orchestra in one of the finest concert halls in Europe, with the evening being thoroughly enjoyed by everybody. SCYM are delighted to be able to provide these opportunities to youngsters and open eyes, ears, and minds to another part of the wonderful world of music.
